The Senior Class is excited and proud to dedicate the Tessahoc '09 yearbook to everyone's favorite substitute teacher,

Ms. Sheridan.

Students Share
"Sheri Stories":

"She always knows how to give advice, whether it's based on experience or astrology."

"Thanks to Sheri, I now know what colors go best with my complexion."

"Sheri told me that one day she hopes to run for President...I'd vote for her."

"I don't have any Sheri stories...but she sure has a lot."

"Ms. Sheridan taught me that a title means nothing, what matters most is the content."

"Do what makes you happy--- that is by far the most valuable of Sheri's life lessons."

...thanks for the memories!

AMANDA

May the good Lord be with you
Down every road you roam
And may all the love you leave behind
Stay with you when you're far from home
And may you grow to be proud
Dignified and true
And do unto others
As you'd have others do to you
Be courageous and be brave
And in my heart you'll always stay
Forever young

May good fortune be with you
May your guiding light be strong
Build a stairway to heaven
With a prince or a vagabond

And may you never lose in vain
And in my heart you will remain
Forever young

And when you finally fly away
I'll be hoping that I served you well
For all the wisdom of a lifetime
No one can ever tell

But whatever road you choose
I'm right behind you, win or lose
Forever young

Love,
Mom, Dad, Leah, Sarah,

My Dearest Johanna,
In looking at all the photos of you chronicling your life to date, I realize how the years have flown by, just like the tornado whirling Dorothy's house through space and time...like Dorothy, you are just now opening your door to a new world- in cinematic color-...and like Dorothy, there will be challenges, triumphs and dangers all along the way... I have no doubt that, unlike Dorothy, you will follow no established road, whether it be yellow or any other color, but will blaze your own trail.

May you find your own OZ and may it be all you have dreamed it will be. God Bless you along the way.

Love, Mom
